“This was the first annual Community Cleanup Day and it was quite successful,” said Meridian Waste District Manager Dave Shepler. “Meridian Waste began service for the Town of Callahan on October 1 and we’re so proud to be a part of this beautiful community. Clean and safe environments are our top priority.”

Volunteers for the event helped to clean up debris from roadways, public parks, and schools. Over 80 citizens participated by properly disposing of four-tons of waste. Accepted waste included residential trash and bulk trash, residential yard waste, residential construction debris, prescription drugs, and propane tanks. Vouchers were provided to drop off up to eight car- and light-duty truck tires. No hazardous waste was accepted.
