Meridian Waste Celebrates Earth Day by Inviting Submissions for Clean & Green Ideas

Learn How Others Help Create a Brighter Future for Our Planet

MILTON, GA / ACCESSWIRE / April 19, 2017 /Meridian Waste Solutions, Inc. (NASDAQ:[MRDN](#)), a vertically integrated, non-hazardous solid waste services company, is celebrating Earth Day by sparking ideas and actions for a cleaner, greener Earth.

"At Meridian Waste, our everyday job is to ensure a clean community for the Missouri and Virginia communities in which we provide vital solid waste services," said Jeff Cosman, CEO of Meridian Waste. "We're inviting folks to help us carry that enthusiasm and spirit of Earth Day forward by sharing how they support a more sustainable future for the planet we all share."

Everyone can visit www.mwsinc.com/earth-day and read other submissions and add their clean & green idea. Photos are welcome.

Meridian's Clean & Green Idea: We are exploring more effective and sustainable material production technologies through our work with [Meridian Innovations](#).

Forward-Looking Statements

This press release may contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 that involve certain risks and uncertainties. The actual results or outcomes of Meridian Waste Solutions, Inc. may differ materially from those anticipated. Although Meridian Waste Solutions, Inc. believes that the assumptions underlying the forward-looking statements contained herein are reasonable, any such assumptions could prove to be inaccurate. Therefore, Meridian Waste Solutions, Inc. can provide no assurance that any of the forward-looking statements contained in this press release will prove to be accurate.

In light of the significant uncertainties and risks inherent in the forward-looking statements included in this press release, such information should not be regarded as a representation by Meridian Waste Solutions, Inc. that its objectives or plans will be achieved. Included in these uncertainties and risks are, among other things, fluctuations in operating results, general economic conditions, uncertainty regarding the results of certain legal proceedings and competition. Forward-looking statements consist of statements other than a recitation of historical fact and can be identified by the use of forward-looking terminology such as "may," "intend," "expect," "will," "anticipate," "estimate," or "continue," or the negatives thereof or other variations thereon or comparable terminology. Because they are forward-looking, such statements should be evaluated in light of important risk factors and uncertainties. These risk factors and uncertainties are more fully described in Meridian Waste Solutions, Inc.'s most recent Annual and Quarterly Reports filed with the Securities and Exchange Commission, including under the heading entitled "Risk Factors." Meridian Waste Solutions, Inc. does not undertake an obligation to update publicly any of its forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.
