Volunteers across St. Charles County work together on this day to get rid of litter, preventing this pollution from making it to local waterways. In that time 2,500 volunteers have removed a remarkable 95,000 pounds of trash in Wentzville alone. Guess what? That's the average weight of a commercial passenger airplane!

This event is great for kids ages 6 and up, and is perfect for team building, volunteer hours for students, and for local businesses and organizations.

**Annual Tree Seminar
8-9 A.M.**

**Thank you to Meridian Waste for
providing dumpsters for the event!**
