RE: Residential Single Stream Recycling

Dear George,

In reply to your request, this letter confirms that Resource Management's Earth City Materials Recovery Facility will not be taking delivery of Meridian's Residential Single Stream Recycling Material after October 31, 2018.

Resource Management will continue to accept delivery of Meridian's Residential Single Stream Recycling Material through October 31, 2018 and will continue to advise what the monthly per ton charge will be for all tons delivered.

Sincerely,

Greg Maxwell, Senior Vice President
